Packaging Instructions and Decal Placement

D206-570-145

Apply labels D2729-1 as per drawing below.

The valve assembly should be wrapped in a piece of foam approximately 18" square. Place the valves on the foam in a diamond configuration. Bring two opposite corners up and tape. Do the same with the other two opposite corners. Place in one end of the box. Place all other items in the box, and seal. Add foam on top to prevent parts from moving. Close box and apply D2729-3 label as per QSI 014 section 4.5

Dart Logo decal is not required
